Dear Sponsor,

The YCAYS Jacksonville Lady Rams basketball program is gearing up for the 2009 Spring/Summer season by participating in the Amateur Athletic Union (AAU) and the NCAA certified national exposure events held across the USA. We are a non-profit, volunteer sports organizations for girls' basketball in the Jacksonville area. We are strongly seeking sponsors to help us make the upcoming season a success. Our youth have worked hard during the school year maintaining academic excellence and preparing for the challenging spring and summer, but your support is most wanted to help them accomplish their athletic goals.

Our organization is dedicated to presenting sports opportunities to youth between the ages of 7 and 17. YCAYS has 14 years of experience plus a proven track record of developing leaders through sports. Our goal is to stimulate personal growth, improve self esteem and reliance, clarify values, develop skill, expand the appreciation diversity and culture, increase the capacity to lead, encourage learning, fun and laughter. This organization will benefit over 100 children from economically disadvantaged neighborhoods throughout Jacksonville, Florida.

During the Spring/Summer season, our young athletes will travel to Raleigh/Durham, Atlanta, Orlando, Los Angeles, Las Vegas, College Station, Houston, and Tennessee to name a few, to compete among the best of the best basketball players across the nation. As in the past, these young ladies will be afforded an opportunity to visit private and state colleges, gaining visibility for their athletic and academic abilities. Last year, our players had the opportunity to visit University of Florida, Duke, North Carolina State, Middle-Tennessee State, University of North Carolina, Liberty, University of Virginia, Florida State, University of Miami, and many more. These visits are vital as they provide opportunities for both academic and athletic scholarships for each athlete. The average GPA for our athletes is 3.25 or better.

It is our goal to raise ***One Hundred and Twenty Five Thousand Dollars*** (\$125,000) for our basketball season to allocate costs for equipments, game attires, transportation, accommodation, meals and registration fees. The individual players normally bear the financial burden of paying for these events. However, a commitment from you or your business will help sponsor one or more of our 100 youth. Your investment in our children of Jacksonville area will pay dividends for years to come.

Please consider this an opportunity to help our youth showcase their talents by becoming a sponsor. Your contributions are tax deductible. If you have any questions, please contact YCAYS 904-334-2031. If you would like any more information please visit [www.youngchristiansinaction.com](http://www.youngchristiansinaction.com).

God Bless,
