Young Christians in Action Youth Sports, Inc

Dear Family and Friends,

Young Christians in Action Youth Sports (YCAYS) is a local non-profit organization that provides youth with the opportunity to maximize their athletic abilities in a Christian environment. It is our mission to teach and inspire youth using Godly principles to enhance moral values with emphasis on academic and social development, fundamentals, participation, and sportsmanship. Through sports and social curriculum, we will inspire and develop opportunities for youth to surpass and press on in the local community.

The YCAYS Jacksonville Lady Rams basketball program is gearing up for the 2009 spring/summer season by participating in the Amateur Athletic Union (AAU) and the NCAA certified national exposure events held across the USA. It is our goal to raise Three Thousand Five Hundred Dollars (\$3,500) per player to allocate costs for game attires, transportation, accommodations, meals and registration fees.

Since we will be competing in tournaments from now and throughout the summer, we are asking that your sponsor be made over the course of our entire season. Listed below are various denominations and contribution schedules that will afford you the opportunity to make donations as we enter tournaments. This will also allow you the flexibility to make a larger donation than you may be able to at one time and help the team throughout the Spring/Summer season.
